# Ravi Sea World Services Worldwide

The Network of Ravi Sea World Services Office and agents all over the world. This network empowers the company to offer its customers a,

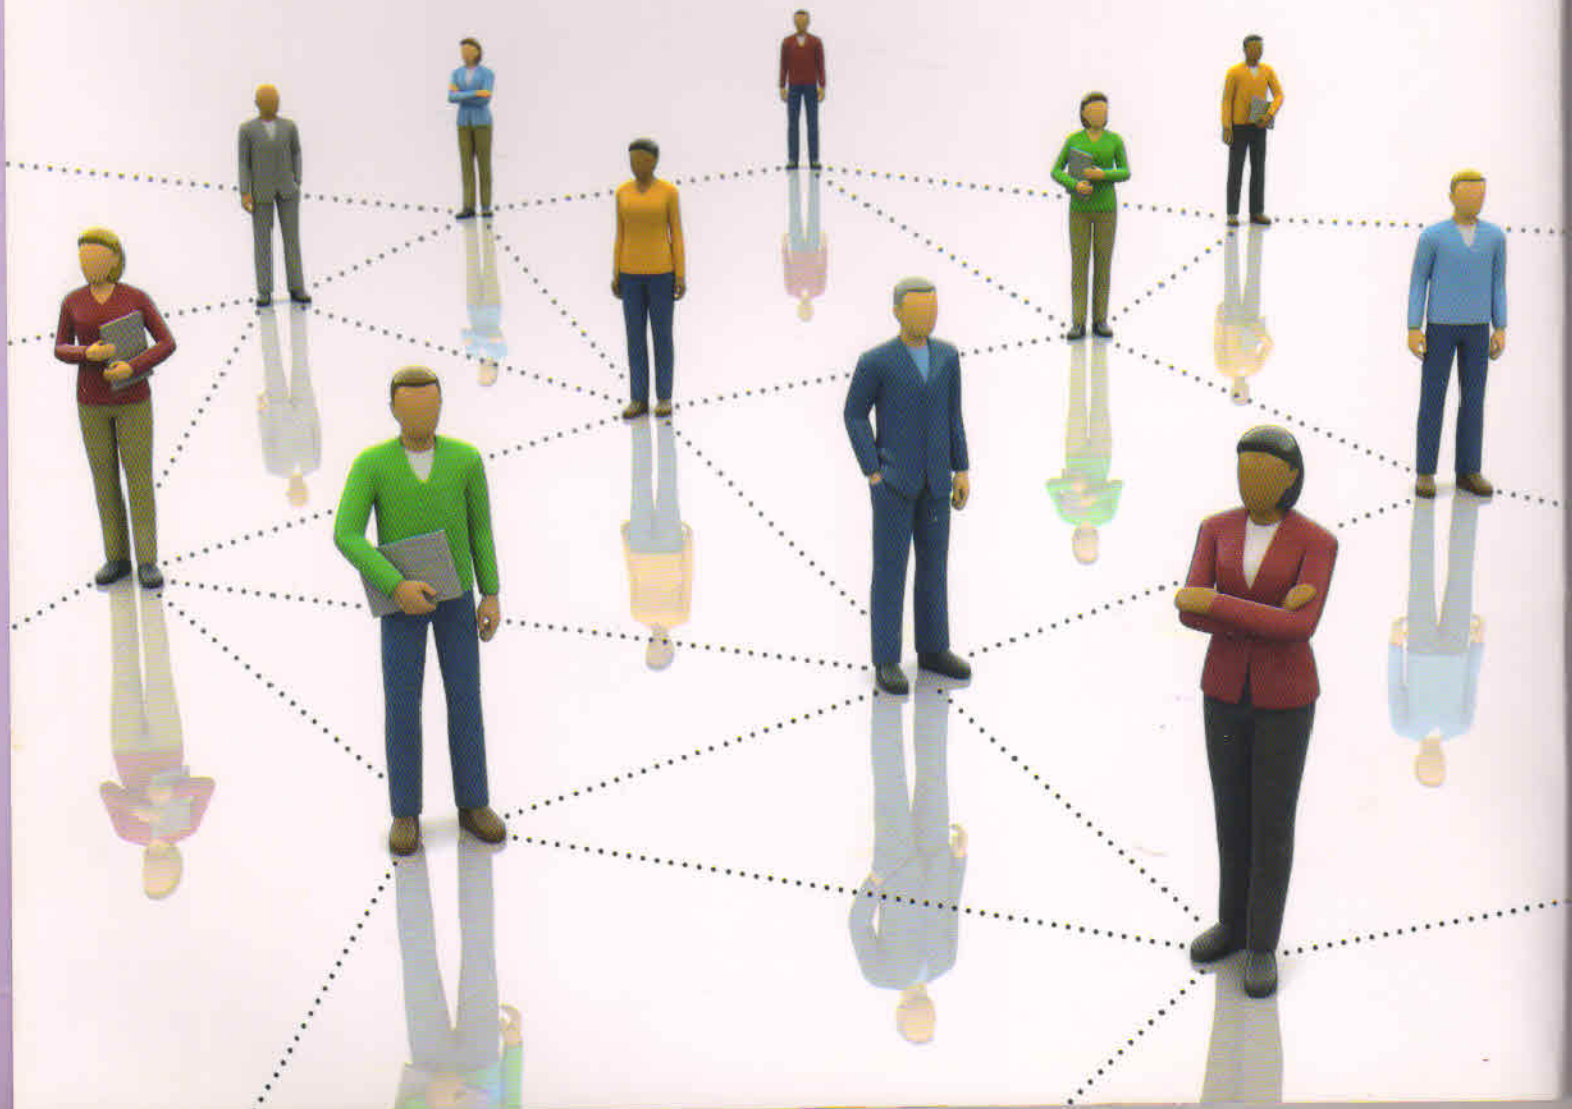

**“ ONE COMPANY - ONE SYSTEM NETWORK ”**

## Our Logistics Expertise

Our Experience enables US to offer clients customized services.  
Our Expertise being in :-

- **MULTI-MODAL TRANSPORTATION**
- **PRECISE DOCUMENTATION**
- **PROMPT COMMUNICATION**
- **TRANSPARENCY IN MOVEMENT**
- **STATUS UPDATES**

**“ Swift, Reliable and yet Flexible ”** is our motto !

## **: Vessel Chartering :**

Our expertise in vessel Chartering helps our clients to decide on suitable vessels based on the cargo and their requirements. With many ship Owners and ship Brokers as your long standing associates, we are able to identify and offer suitable available vessels at very short notice thus helping cargo owners to achieve their shipments at the earliest.

Our in-house chartering enables us to commercially operate various mid-sized multi purpose vessels in and around Southern Asian region with specialisation in operating vessels of various sizes from 3000 DWT to 12000 DWT for to serve Andaman & Nicobar islands

## **: Domestic Transportation :**

Domestic transportation includes movement by road, rail and even barges or a combination of any of these to meet our customer's delivery commitments.

We regularly move commodities such as cement, steel, heavy machinery, chemicals, consumer durables and consumables, safely and with a time bound delivery schedule.

Decades of experience as charterers and ship owners has given us access to excellent surface transportation fleets.

**Trust us with your cargo**

## : FREIGHT FORWARDING :

Ravi sea world services entered the field of logistics as a freight Forwarder a few decades ago. Since the company has gathered the right expertise and has steadily grown to provide complete logistics solutions.

Our services have the required technology, dedication, and quality to satisfy our customer's requirements. As experienced consolidators and freight forwarders, We have the reach, reliability, and resources to provide you with competent services at the most competitive prices. RSWS having India and extensive global network of promising agents and partners, our assurance is strengthened when we say **"nothing is impossible"**.

Fostering strong ties with the Ocean Carriers/Feeder Operators and Airlines gives us the ability to offer customized services to our Clients for their Shipping requirements.

With our Worldwide Network and Overseas Offices, We are in a position to provide **Professional, Timely and Cost Effective** in bound and outbound Services at desired origins destinations.

## : Coastal Cargo :

We know what Takes to ship cargo along the Indian coast. Every Step is Carefully planned and executed by our experienced personnel. As vessel owners and charterers, we understand every nautical nuance of the cargo movement business as well as its feasibility.

Having been an effective service provider for transporting goods with just in time service decads, Ravi sea world services can ensure immediate berthing, efficient handling of cargo and competent loading and discharge rates. Our hands-on, transparent approach ensures a good working relationship with Customs Clearances, the Mercantile Marine Department.

Ravi sea world services takes pride in highlighting that it has been one of the major contributors to the development of andaman & Nicobar Islands. As far as these islands are concerned, the Company has been a key participant in the Coastal trade there.

## The Ravi sea world services Promise

As companies expand their horizons, high volumes of cargo move across the world.
